Re: Melinda Doss 4K Para Recommendation for Hire

This memo is to recommend Ms. Melinda Doss for the 4-year old Kindergarten Paraprofessional position for the 2020-2021 school year.

Ms. Doss comes to the position with a wealth of previous elementary school experience. Melinda worked at the elementary school in the Tomorrow River School District for 10.5 years. She worked in their 4K program and special education programs as a paraprofessional. Ms. Doss moved to Manawa from Amherst a year ago.

References from Amherst gave her glowing recommendations including, "You'd be lucky to have her." "Mindy is amazing to work with. I never had to ask her to do anything. She saw what needed to get done and did it well." "The energy she brings to school is amazing."

Out of seven applicants for the position four were offered interviews. The interview team agreed that Melinda's experience made her the candidate of choice for the position. Ms. Doss will be working a total of 28 hours per week.

Re: Vocal Music Recommendation – Carrie Gruman-Trinkner

This memo is to recommend Ms. Carrie Gruman-Trinkner for the 1.0 FTE vocal music teaching position for the 2020-21 school year. This is a K-12 position with a presence at both the Manawa Elementary School, Manawa Middle School, and Little Wolf High School

Ms. Gruman is coming to Manawa from the Montello School District. She was only an employee of the school district for a brief period after returning from Brooklyn, New York. Her discovery of the vocal music opening and her desire to come back to the Manawa area drove her decision to apply for the position.

With thirty-two years of teaching experience, the School District of Manawa is fortunate to acquire a highly qualified candidate in late August. Ms. Gruman is very familiar with central Wisconsin. Previous employment in this immediate area includes the Director of Choral Activities at Pacelli Middle and High School from 2014-2017, Weyauwega-Fremont from 2004-2014, and Kimberly High School from 1994-2003. Her most recent placement was at Brooklyn Dreams Charter School in Brooklyn, New York. She received her formal education and training from the University of Wisconsin – Platteville where she earned a Bachelor of Science in Music Education with an emphasis on 7-12 Choral Music and K-12 General Music. Additionally, Ms. Gruman is an accomplished accompanist, author, and has additional course work in the field of Autism Education.

Throughout her career, Ms. Gruman has demonstrated innovation, hard work, and creativity. Ms. Gruman has experience in teaching at all grade levels, directing musicals, plays, forensics, show choirs, madrigal dinners, vocal jazz ensembles, and percussion ensembles. Her groups have traveled both across the United States and traveled abroad to England, Ireland, Wales, Austria, and Germany. She enjoys performing musical theater and spending time with her family.

Pacelli Principal Larry Thiess states, "Carrie's creative skills are amazing, and I enjoyed working with her. She has great passion and vision and provided outstanding music education for our students." Two candidates were selected for first-round interviews with a committee comprised of various staff members. Ms. Gruman moved forward to the administrative team interview and received the full endorsement of both interview teams. Mr. Austin Rohan, the current instrumental music teacher, was present for all first-round interviews. I strongly recommend Ms. Carrie Gruman-Trinkner for the 1.0 FTE vocal music teaching position for the 2020-21 school year.

- ❑ Plan may need to be adjusted due to staff and/or substitute shortages.
- ❑ A school closure may be accelerated due to a significant, unanticipated outbreak.
- ❑ Fitness Center will be addressed separately with the goal of remaining open if possible.

This framework is a guideline to adjusting school schedules. The framework may need to be adjusted as circumstances change. Metrics are based with relative alignment to the Harvard Global Health Pandemic Resilient Schools Framework and an estimation of circumstances that local schools and local public health are able to mitigate and control.

DRAFT

Students choosing to excel; realizing their strengths.

August 2020

Dear SDM Substitute Teachers,

Welcome to the 2020-21 academic year! What a summer it has been! As I sit alone in my office with my face covering at the ready should I leave this space or anyone stops by, I cannot help but think about how much has changed in our lives in the past few months. It is nothing I ever could have imagined. It has created personal and professional challenges of a type for which we do not have experience. So, we are doing our best to collectively figure it out as science, research, and the experiences of others are revealed. Thank you to all of you who have participated in the voluntary summer meetings to stay current on the district-wide school reopening plans.

The All-District In-service theme this year is: “We are better together!” Never has that been more true. School District of North Fond du Lac Superintendent, Aaron Sadoff will be our inspiring guest speaker. He brings a message of optimism and wit with his high energy style and quick sense of humor. Mr. Sadoff is a trainer in the study of positive psychology.

“Each one of us is like that butterfly in the Butterfly Effect. And each tiny move toward a more positive mindset can send ripples of positivity through our organizations our families and our communities.”

— Shawn Achor, [The Happiness Advantage: The Seven Principles of Positive Psychology That Fuel Success and Performance at Work](#)

Below is the schedule of events. The All-District In-service will be held in the MS/HS Commons. Staff will be seated in chairs with six-foot distancing and will be required to wear their masks except when eating or drinking at their seat. Coffee and a light morning snack will be provided at the start of the day. A “Grab & Go” lunch will be provided at the end of the morning session.

Date	Time	Group	Professional Development	Location
Sept 2	7:30-3:30	All Staff/Substitutes	All Staff In-service	
Wed	7:30-7:45		Welcome - Joanne Johnson, Board President	MS/HS Commons
	7:45-8:00		New Staff Introductions – Dr. Oppor	MS/HS Commons
	8:00-9:30		Presenter- Aaron Sadoff	MS/HS Commons
	9:30-9:45		Stretch & RR Break	
	9:45-11:15		Presenter- Aaron Sadoff	MS/HS Commons
	11:15-12:00	Substitute Teachers Only	Lunch - Grab & Go	MS/HS Commons
	12:00-12:15		School Secretary and Principal - Building Expectations	HS Library
	12:15-1:30		Google MEET Training	
	2:00-3:00		Bloodborne Pathogens/Mandatory Reporting/School Threats/Seclusion & Restraint	

Thank you to everyone for your patience this summer during the remodeling projects. It has been interesting to host all district activities and staff at MES. Everyone is getting eager to begin moving back into Manawa Middle School and Little Wolf High School. I have started the re-entry process with Hoffman personnel that includes doing a room by room inspection of the remodeled spaces and identifying anything that needs fixing or touching up. Contractors have a couple of weeks to make the needed tweaks before we are given the all clear to allow vendors to begin delivering and setting up new equipment or furnishings.

I look forward to seeing you on September 2nd at the All-District Employee Meeting in the MMS/LWHS commons to share more details about the exciting year ahead of us. Thank you for your continued commitment to providing exceptional learning environments and opportunities for the students of the School District of Manawa. Substitute teachers, please take a moment to RSVP to Mrs. Flynn at: 920-596-2525 or sflynn@manawaschools.org to let her know if you will be attending the All-District In-service and/or taking a Grab & Go lunch on the 2nd. This is our small way of saying thank you for all you do!

“For the strength of the pack is the wolf, and the strength of the wolf is the pack!”

Sincerely,

Dr. Melanie J. Oppor
District Administrator

Re: Fans in the Stands Recommendations

The purpose of this memo is to provide information and recommendations regarding home fan attendance at athletic events for the start of the 2020-2021 school year. The SDM Board of Education is applying local control as it pertains to their fan attendance policy.

At this time for fall sports, we are recommending only home fans at our events. The home fans would be limited in number as follows:

- Indoor events - (volleyball) each competitor and paid coach will be allowed two tickets for fans.
- Outdoor events - (football) each competitor and paid coach will be allowed four tickets for fans.
- Athletes who are a member of the team but not suited up for competition will be granted a single ticket to attend the event and be present in the stands.
- Student tickets will be available through a lottery system. Criteria for consideration of the ticket lottery include:
 1. Students must be participating with the In-person Mode of Instruction.
 2. Students must be passing all classes, and not have any Incompletes from 2019-2020.
 3. Students must not be on truancy watch.

Special Note - Student attendance at sporting events is a privilege so proper conduct is expected. Anyone not following district/school expectations will lose the privilege of participating in the lottery.

Additional Considerations:

- The number of student lottery tickets will be 50 for outdoor sports. The number of student tickets for indoor events is yet to be determined.
- All fans will be expected to wear proper face masks/coverings and to follow the social distancing guidelines when attending home sporting events.
- There will be no concessions sold and carry-ins will not be allowed.
- Media will be admitted to a designated area by the A.D. and will not be allowed on the field/court with the players and coaches.
- Sporting events will be live-streamed (free) so those who cannot attend in person will be able to watch the contests.
- Non-H.S. students/children who attend athletic events with their family will be expected to stay in the stands with their family for the events and must have a school-issued ticket.

**Middle School events will follow the same protocol for student attendance at Middle School Athletic Events.*
