

# School District of Manawa Academic Goal Plan

Presented February 2021

“People with goals  
succeed because  
they know  
where they're going.”

*Earl Nightingale*

# Mathematics Materials Adoption

## Goal:

To implement new mathematics materials 4K-12 to increase student achievement.

## Rationale:

- Math Expressions (elementary) materials are being discontinued.
- Students are not graduating at the expected proficiency level.
- A focus on math practices is needed.

# District Literacy Plan

## Goal:

To consistently include phonics instruction 4K-2 & implement interactive read alouds in 4K-5 to increase student achievement.

## Rationale:

- Data indicates that students lack foundational literacy skills.
- This supports the next steps in providing foundational elements of the long range District Literacy Plan.

# District Technology Plan

## Goal:

To consistently implement International Society for Technology in Education (ISTE) student standards across all grade levels.

## Rationale:

- Prepares students to live and learn in a technology-rich world.

# Secondary Social Studies Materials Adoption

## Goal:

To implement new social studies materials 6-12 to increase student achievement.

## Rationale:

- Current materials are outdated.
- A focus on social studies inquiry practices and processes is needed.

# Next Steps...

- **Current State to Desired State Chart** - Describes the high-level steps in the process to attain the goal.
- **Gantt Chart** - Provides a visual timeline to show how these goals overlap one another to ensure both balance and continuity.
- **Goal Teams** - Involves stakeholders in determining how the goals will be accomplished.
